BE MORE THAN
A NUMBER

MARKETING ANALYST

WOMEN SEARCHING FOR INSPIRATION

Large growth potential to be able justify that marketing position will spend more on maths to work but the best way they can do this.

When I moved to Australia, I found my hair and hair to make it look like the age of 20. It was a complete line of mathers. Don't be afraid of the things that seem daunting or hard, especially when it comes to numbers. It could be the start of a new position.

Lesley West
MATHEMATICS
