

# W H Y I B E C A M E A S T R O N O M E R

I was the first Indigenous student to complete a double degree in Maths and Physics in NSW, but my life wasn't always smooth sailing. Leaving school early I returned to couch-surf my way through Year 12 and at uni fell in love with astronomy.

Working on CSIRO's Indigenous STEM Education project I combined two of my other loves: Maths and Indigenous education. My skills in numbers and statistics helped to determine education trends
