Dr. Katy Hill

A GLOBAL VIEW OF THE OCEAN

MATHS TAKES YOU PLACES...  SWITZERLAND

From a PhD that used maths to join the dots between large-scale wind and ocean circulation patterns, and changes in the East Australian Current and its ecosystems, Dr Katy Hill is now working for the World Meteorological Organisation in Geneva, Switzerland.

Katy Hill completed her PhD under the CSIRO-UTAS-ANU-UNSW program in Quantitative Marine Science (QMS).

The CSIRO-UTAS PhD Program in Quantitative Marine Science (QMS) is offered through the University of Tasmania's specialist Institute for Marine and Antarctic Studies and CSIRO Marine and Atmospheric Research.
