## PHD'S THAT TAKE YOU PLACES

APPLY TO THESE SCHOOLS IN **FRANCE**

With four Ph.D. spots, EPHE in Strasbourg has a focus on interdisciplinary research and the creation of hybrid fields. You'll have plenty of opportunities to learn from other disciplines.

How will you combine your interests? You might study the history of science or the evolution of life. Or you could explore the intersection of biology and medicine and learn how to use your research to improve human health.
