AMSI-AustMS Funding Application

Event Details

Before you begin:

- Apply if you are planning a workshop to take place before **31 December 2022**
- Applications close **7 April 2022**
- Verify the **AustMS membership** of organisers and speakers — incomplete or incorrect data may result in a reduced funding allocation. AustMS has a reciprocal membership arrangement with a number of organisations. View the list at https://austms.org.au/membership/reciprocal-membership/.

Sydney Mathematical Research Institute Research Visit Program

You can nominate an international speaker to visit SMRI for one week pre- or post-workshop. SMRI will provide the approved speaker with return international flights, domestic flights and up to one week's accommodation in Sydney during their visit to SMRI. Nominations of female and gender-diverse speakers, and of speakers belonging to historically underrepresented groups, are especially encouraged. If you wish to nominate any speakers, tick the box when you enter their details. We will contact you post-application. Please discuss this opportunity with the speaker(s) and confirm their availability prior to nomination.

Local keynotes can apply for the Domestic Visitor Program. Applications are open on a rolling basis and must be made 2–6 months before the start of the proposed visit.

AMSI-AustMS Funding Application

Funding Options

All workshops will receive the following:

- advice and endorsement from the AMSI Research Committee
- promotion via AMSI and AustMS websites, mailing lists and Twitter

In addition, we invite you to choose from the options below and provide details in the description box.

Applications must follow AMSI workshop guidelines. Payment is dependent on the completion of a satisfactory post-event report approved by the AMSI Research Committee.

Catering, per diems and business-class airfares are ineligible for funding.

Which expenses are you seeking funding for?

☐ Travel and accommodation costs of keynote speakers
☐ Recording and post-production costs for keynote presentations
☐ Software, licensing or local technical support costs (one-off use only)
☐ Subscription costs for virtual networking platforms such as GatherTown
☐ Other

Do you need non-financial support?
☐ Access to AMSI Zoom as a presentation platform
☐ Opportunity to publish recorded keynotes on the AMSI YouTube channel
